Analysis of Labor Supply in Information Technology (IT) Occupations (2000)	NC		
Analysis of the labor market for information technology (IT) occupations in California.			
Brochure - Custom Tabulations and Confidential Data Requests	NC		
Brochure - Internet	NC		
Brochure - O*NET	NC		
California Agricultural Employment and Earnings Bulletin - Monthly Report		\$30.00	
Total agricultural employment, agricultural production worker employment, earnings and hours worked by production workers. Data are statewide and for six regions within the State.			
California Career Notes Set - Careers with a Future (1998)	NC		
The California Career Notes provide "at a glance" information about occupations suited for entry level job seekers - jobs with a large number of openings and which can provide career growth potential. These easily readable single sheet Career Notes target entry-level workers, including welfare-to-work clients. The set contains 50 occupations.			
California Labor Market Review		\$15.00	
A monthly publication analysis and charts on current labor force and industry employment data. This publication replaces the Labor Market Conditions in California and the California Labor Market Bulletin.			
California Occupational Guides Set	\$20.00		
Contains approximately 300 individual occupations or groups of related occupations with statewide information about job duties, working conditions, employment outlook, wages, benefits, entrance requirements, and training. Only one guide set can be ordered at this time. For additional copies you will be placed on a waiting list for the next reprint.			
California OES Dictionary of Occupations (2002/2003)	NC		
The dictionary contains a list of occupational codes and titles used in the Occupational Employment Statistics survey.			
California Size of Business (Report 524)		The product will no longer be available in print - on-line only	
Presents the characteristics of reporting units by their size of employment based on 2001 - 3 rd quarter information. The report includes this data at the statewide, county and MSA level.			
Careers Under Construction: Models for Developing Career Ladders	NC		
Provides guidelines and resources for workforce investment partners, employers, and any industry considering career ladders as part of their strategy for developing and retaining a skilled workforce.			
County Snapshot	NC		
These profiles include brief summaries of geographic, demographic, labor force, industry and occupational conditions within each county.

Quest For Caregivers, The - Helping Seniors Age With Dignity (April 2001).....		NC	
As part of the Caregivers Training Initiative this publication addresses the impending shortage of caregivers. It looks at the labor supply-demand principles affecting workers in entry-level direct care occupations in relationship to other occupations competing for the available labor force. Three entry-level caregiver occupations are the focus of this report: Nurse Aides, Home Health Aides, and Personal and Home Care Aides.			
State of the State's Labor Markets (2002).....		NC	
The State of the State's Labor Markets provides an overview of California's economic condition and the key trends and factors affecting its labor markets. The topics discussed in the report include the economic outlook, industry and occupational employment trends, regional labor market conditions, and Census 2000 data.			
Tools for Career Exploration.....		NC	
Tools for Career Exploration is a matrix that guides users to the appropriate resource to answer their questions about occupations. It also details whether the information is available in print, on the Internet, or in CD-ROM format.			
WorkSmart Fact Sheet.....		NC	
WorkSmart Card.....		NC
